

February Series ACA Online Chess Tournament Report

Ancient Chess Academy (ACA) successfully conducted its February Online Rapid Tournament Series on the Lichess platform, attracting players worldwide, including FIDE-rated participants. Every month the participants are interestingly participating and several players also increase in the official ACA Open Rapid Tournament.

The series saw enthusiastic participation, with the first tournament on **February 2, 2025**, drawing **77 players**. The champion of this event was **Prasanna Chaubey** from Maharashtra playing under the Lichess ID **Znq**. The final tournament of the series, held on **February 23, 2025**, witnessed even greater interest, with **46 participants** competing. The winner was **Rajagowtham** from Tamil Nadu, known by his Lichess ID **Rajagowtham**.

Based on cumulative **ACA points** from both Sunday tournaments, **Prasanna Chaubey (Lichess ID: Znq)** was the **February Series Champion**, while **(VinayLahre)** secured the **runner-up position**.

ACA extends its gratitude to all participants and looks forward to even more thrilling games in the upcoming series. Tournament databases with interesting matches are available for download

ACA February Month Series Online Tournament-Leader Board					
Rank	Username	Total Points Scored	9th ACA Points	10th ACA Points	Cumulative ACA Points
1	Znq	10.5	10	2	12
2	VinayLahre	10	6	4	10
3	Rajagowtham	5	0	10	10
4	BlunderrPanda	5.5	8	0	8
5	Dharunika	5	0	8	8
