

March Series ACA Online Chess Tournament Report

Ancient Chess Academy (ACA) successfully conducted its January Online Rapid Tournament Series on the Lichess platform, attracting players worldwide, including FIDE-rated participants. Every Saturday featured a practice tournament, while the first and last Sundays of the month hosted the official ACA Open Rapid Tournament. The series saw enthusiastic participation, with the first tournament on March 2, 2025, drawing 44 players. The champion of this event was Vinayak Mahadev from Tamil Nadu, playing under the Lichess ID **CHESSFIRE_07**. The final tournament of the series, held on March 30, 2025, witnessed even greater interest, with 27 participants competing. The winner was Vinayak Mahadev from Tamil Nadu, known by his Lichess ID **CHESSFIRE_07**. Based on cumulative ACA points from both Sunday tournaments, the **March Series Champion** was (**CHESSFIRE_07**). ACA extends its gratitude to all participants and looks forward to even more thrilling games in the upcoming series. Tournament databases with interesting matches are available for download
